The Biggest Virtual Tech Job Fair in the Region Third Edition - 2021

Build Your Winning Tech Team

info@talentsarena.net | www.talentsarena.net

Talents Arena is a virtual technical hiring platform that connects top tech talents with hiring companies. We work closely with our companies through the whole hiring journey till they onboard ideal candidates.

Talents Arena aims to make the hiring process easier for both the employer and the candidate, while building a community of developers equipped with the latest technologies to work on the upcoming technical challenges.

For more information please visit www.talentsarena.net

 Date: August 2021

The proven success of Jobstack events, keeps us committed on delivering a world class tech event that stands out as the go-to place of all tech savvy people in our region. It's the place where the tech companies and tech talents get closer. Exchange experiences, deep talks, authentic engagement and unlimited opportunities.

10,000+ developers from the top tech talents will be attending.

Virtual Booth_

The booth is an online page featuring your logo, a brief about your company and a short video promoting your team and vacancies to the developers attending the event. You will be able to connect with the attendees through video calls or chat and conduct interviews on spot.

Networking Area_

All attendees, companies and speakers will have access to this area. You can reach out to candidates or simply get to know more about them through their profiles.

Scheduled interviews on the fair day_

According to your vacancies list we will be able to match your company with suitable candidates from JobStack's registered developers and book slots with them for an interview on the fair's day.

Closed Circles (Rooms)_

This is where you meet the most specialized developers. Each circle will revolve around a specific topic with a maximum capacity of 50 attendees specialised in it.

Featured Logo on Social Media_

If you pick a package that supports this service our marketing team will dedicate special posts in JobStack's social media campaigns featuring your logo and a brief about your company.

Employer Branding Session_

This is the stand out feature where you will have a 30 mins talk speaking to JobStack attendees about your employer brand. The talk will be scheduled on the event's official agenda.
